

Production Line Worker – Full Time

Summary

The production line worker will be responsible for working on the production line of Muldoon's Hand Roasted Coffee. This individual will be responsible for the operation of equipment for the manufacture of various coffee products and will ensure all work performed adheres to all organizational standards as well as safety regulations and guidelines. This is a labour-intensive position requiring individuals to perform repetitive tasks and stand for long periods of time.

Responsibilities

- Operate and attend to manual and automated equipment in the coffee roasting and production process operation.
- Perform all functions as designated by Muldoon's Hand Roasted Coffee instruction while operating specified equipment.
- Follow all production procedures as instructed.
- Understand and review the product through specified production process, recognizing areas of defect and taking appropriate actions to rectify them.
- Perform all work to organizational standards to ensure final product meets quality standards.
- Perform quality inspections as necessary.
- Determine and report product and equipment malfunctions to the appropriate authority.
- Maintain cleanliness of equipment and assigned work area at all times.
- Work effectively as part of a team to ensure productivity and efficiency.
- Assure the daily and weekly production schedule is adhered to.
- Follow all standard operating procedures and designated organizational as well as provincial and federal safety guidelines.
- Ensure all equipment is operated according to equipment manufactures instructions and safety guidelines are followed.
- Operate a Raymond Reach Forklift or Electric Pallet Jack in a safe manner to move product.
- Assisting warehouse staff as required
- Other duties shall be assigned as required.

Qualifications

- High school diploma or GED.
- Previous production work mandatory.
- Forklift certification preferred.
- Experience in the coffee industry preferred.
- Willing and able to follow specific instructions.
- Ability to use basic power tools required.
- Ability to perform repetitive tasks with little supervision.
- Commitment to accuracy and detail oriented.
- Ability to perform under pressure and work in a fast-paced environment.
- Ability to stand for long periods of time
- Ability to perform repetitive heavy lifting.
- Able to effectively communicate both verbally and in writing.
- Basic mathematical skills.
